THE OLD order does change, and last Saturday Brey-Wright Lumber company closed its doors after 57 years. In top photo, taken in 1891, are J. Frank Wright, left, and Hiram F. Brey in the office of the San Joaquin Lumber company that was a forerunner to Brey-Wright Lumber company; in lower photo are Alberta Brey, daughter of H.F. Brey and cousin of Frank Wright, who started in 1917 in the office of the Porterville Lumber company, and Frank Baxley, who joined the firm in 1919. Miss Brey became president of Brey-Wright in 1949 and Baxley vice president, then in 1950 Baxley also became company secretary. Treasurer of the company is Frances Marie Brey. Development of Brey-Wright Lumber company goes back to the San Joaquin Lumber company of which Brey became manager in 1889. San Joaquin became Porterville Lumber company in the early 1900s. About 1916 Alma Dillon, of Springville, started the Home Lumber company at Olive and Hockett and the Citrus City Lumber company started operation where Copeland Lumber is now located at Putnam and E street. On May 6, 1918, Brey sold his interest in Porterville Lumber to Citrus City Lumber and purchased the Home Lumber company which was incorporated a month later, after Wright had joined

## TERRA BELLA COUPLE ADD TO BAND FUND

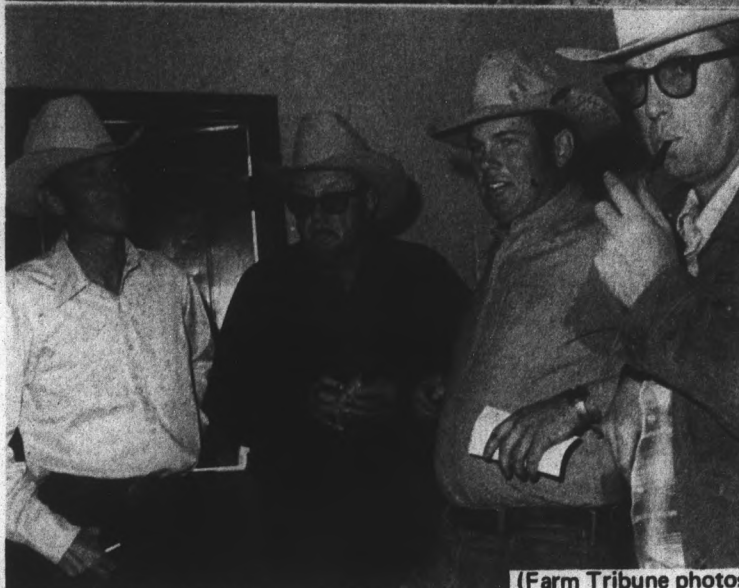

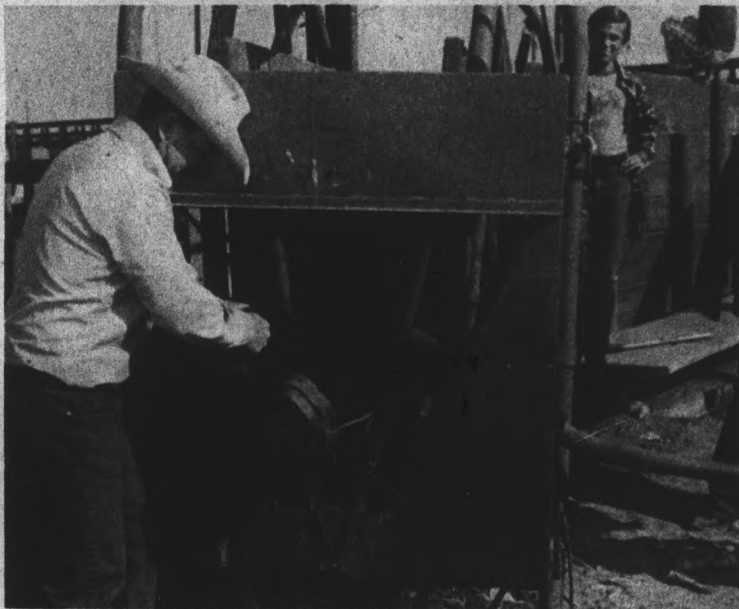

TERRA BELLA - Porterville Panther Band's "Spirit of '76" fund increased another \$300 this week, due to the efforts of a Terra Bella couple.

Elmer and Marilyn Wiley

presented Director Buck Shaffer with a check for that amount - the proceeds from a dance they sponsored recently in the Terra Bella Veterans Memorial building.

The western dance - featuring the Waukeen Country Boys - was sponsored by Mr. and Mrs. Wiley to help build the "76" fund which will aid Panther bandmen in making their Bicentennial tour this summer.

## "STEER OF TOMORROW" CONTEST IS UNDERWAY IN TULARE COUNTY

(Farm Tribune photos)

PRELIMINARIES WERE completed Saturday at the Farm Bureau Sales yard in Visalia and 46 4-H club members in Tulare county are now producing the "Steer Of Tomorrow," with winners to be announced at the county 4-H fair next May. In top photo Walt Hunsaker, of Ducor, is putting a tattoo in the ear of a steer; in lower photo are, from left, Johnny Rodgers, of the Stockman's Market that operates the sales yard; Ralph Mehrten and Bill Mehrten, of Exeter, and Jack Shannon, of Porterville, who set the present market value on Steer of Tomorrow animals. Procedure at Visalia was for 4-H members to bring in their steers during the morning, have them

tagged for identification, then, after lunch, officially weighed and valued. Judging in the contest covers live-weight gain, carcass merit and profit. Contestants will feed out their steers, then show and sell them at the Tulare County 4-H fair. The animal will then be slaughtered at a packing plant and the dressed beef evaluated on a basis of pre-determined rules and formulas. Cash awards totalling \$400 will go to the 4-H members who produce the top animals. The Steer of Tomorrow contest is sponsored by the Tulare County Cattlemen's

## CHRISTMAS PROGRAM IS BEING PLANNED

PORTERVILLE — Annual Christmas program presented by Monache High school is now being planned, with performances December 12 and 13 on the Monache campus, starting at 8 p.m.

Show director is Dave Rasmussen; adding to the vocal selections will be stage scenes by the Monache Drama department, and a wind ensemble will be directed by Dale Anderson.

The Christmas production has been staged at the Barn theater, however a conflict in scheduling made it necessary to move to the Monache campus. Tickets can be obtained after December 1 from members of the Monache Ensemble, at the door the evening of the performance, or by phoning 784-7000, Extension 8-46.

## VANDALIA 4-H SENDS COOKIES FOR CHRISTMAS

VANDALIA — As part of the Vandalia 4-H club's citizenship program on "community awareness," members of the citizenship committee and cooking class talked to Postmaster Jack Gilliam about overseas mailing for Christmas.

For those who will be mailing cookies abroad, now is the time to plan. Surface mail dates are past but Airmail deadlines are December 11 for South and Central America and Europe and December 9 for Africa and the rest of the world.

Deadlines for mailing

Christmas parcels to members of the armed forces overseas are: November 27 for surface transportation via Parcel Air-Lift (PAL) and November 20 for Space Available Parcel Air-Lift (SAM). Deadline for the U.S. is December 10 for surface mail and December 21 for airmail.

The Vandalia 4-H cooking classes, and other club members, will be sending cookies to relatives and friends as part of their citizenship and community service program. Some of their recommendations on sending cookies are that they be non-goosy and non-crumblly. Packing should be in boxes of wood, metal, solid fiber board or strong doubletries. Containers should be tightly filled.

## New Centrex Telephone System In Use At County Civic Center

VISALIA — A new Centrex telephone system allowing outside callers to reach county departments without using a switchboard went into effect at the county civic center in Visalia, Monday.

The system is designed to eliminate many of the frequent busy signals outside callers have received when attempting to reach county departments, according to County Maintenance Director Murrell Twibell.

Each county department will have several new telephone numbers listed in the new telephone directory. The old 732-5511 county number will no longer be used.

The changeover date was selected to occur after issuance of the new Pacific Telephone directory which the company began distributing last week.

"The new system should run smoothly if each person will use the new telephone directory when making calls to the county," said Twibell.

He emphasized that under the new system each county division and department will have its own separate numbers.

Centrex, meaning central exchange, will automatically switch incoming calls from one busy number to the next free number in a sequence. Calls may also be transferred without switchboard assistance.

Using a single telephone without buttons, employees will be able to put a caller on hold, dial another number, and then return to the caller.

Four switchboard operators working from the sheriff's new communication center are monitoring "goof" calls, such as those made to the county's old 732-5511 number during the first few days the new system is in operation.

## SCHOOL NEEDS SUBSTITUTE INSTRUCTORS

PORTERVILLE — Need for substitute instructors - especially male substitutes - is becoming "increasingly critical" in Porterville, according to Assistant Superintendent of Secondary Instruction Don Howard.

Howard states that illness, jury duty, and leaves of absence are taking their toll on the roll of 140 instructors now employed in the high school district. Male substitutes are especially needed in the areas of boys' physical education, shop, and agriculture, but qualified substitutes are almost always in demand in virtually every subject for both males and females.

State law requires that substitutes must have a minimum of 90 collegiate units to be eligible for a substitute credential or have a current California credential. The degree need not be in the subject being taught.

Substitutes in the Porterville district are currently paid \$30 for a full day of teaching, and partial days also are required on occasion. On the average, four to as many as 12 substitutes are needed daily in the 9-12 schools.

Interested persons in Porterville or surrounding communities who qualify and have some degree of flexibility in hours should call either Don Howard, 784-7000, extension 33, or Coeta Rieger, 784-7000, extension 34.

## PLANO 4-H TAKD CLUB IS ACTIVE IN MANY PROJECTS

PLANO — The initiation of eight new members, the awards for high-point 4-H Breakfast sales, and the presentation of the flag review speeches were all highlights of Plano 4-H Club's November meeting.

The eight new members are: Stacey Bartlett, Roy Honeyman, Tammi Golden, David Land, Donald Land, Rene Longoria, Kirsten Kempfer, James Swearingen. New transfer members Jane Hatfield and Randy Edwards were not present.

As a part of their initiation, each new member was made to walk blindfolded through an obstacle course, on which the obstacles were changed or moved. After successfully completing the course, each new member was given a certificate of initiation and welcomed into the club. Initiation was planned by chairmen Laura Buckley and Anna Poteet and their committee, Suzi Golden and Merilee Sherwood.

Receiving an award as high-point girl for selling Breakfast tickets was Marta Knapp. Randy Edwards was the high-point boy winner. Tammy Peltzer, Tim Peltzer, Mark Michaelis, and Steve Knapp received awards for selling over 50 tickets each.

Before the initiation, each member of the flag review gave his speech before the club.

Tim Buckley, president, presided over the meeting. The salute to the flag was led by Bryan Spann, Gaylene Peters, and Tammy Peltzer. Jeff Faure and Dorsey May led the 4-H pledge. The roll call and minutes were read by Pam Bowker, and Steve Knapp gave the treasurer's report.

Richard Homer gave a report on 4-H Sunday, when the club visited Grand Avenue Methodist church.

A report on Officer's Training day was given by Harold Kempfer.

Merilee Sherwood reported that thirty-two members attended the hayride and weiner roast in October.

Paula Doyel, who attended the Junior Leader Retreat at Mira Monte, reported that seven Plano junior leaders went, including Jane Hatfield, Gaylene Peters, Katherine Homer, Walter Doyel, Steve Knapp and Harold Kempfer.

In other business, Mrs. Sylvia Corkins handed out a sheet of

4-H dates to remember and discussed the Flag Review.

Mrs. Stanley Knapp announced that a caroling practice would be held soon, for those who would like to go caroling at the convalescent homes.

The meeting concluded with recreation led by chairman Laura Buckley. Refreshments were served by chairmen Ernie Longoria, Glen Peters and their committee.

### PLANO 4-H FLOAT IS PARADE WINNER

Plano 4-H Club's float won the queen's Trophy in the Junior Float division at the Veteran's Day parade in Porterville November 11.

The float was made up of two 24-foot trailers connected by a red banner and carrying thirty-three children dressed in costume.

The first trailer, representing "America Then - Many Flags... Many Nations," carried Plano's collection of Bicentennial flags with children dressed in costumes representative of the period each flag flew over this country.

The second trailer, depicting "America Now - One Flag... One Nation," displayed a single huge fifty-star flag shown by three members in 4-H uniform.

The use of the truck and trailers was donated by E.M. Tharp, Inc.

Guess who's responsible for conserving natural gas.

If you get the feeling somebody's pointing the finger at you, you're right.

We've got a serious situation in Southern California. Our current supplies of natural gas are dwindling, and it's going to take time to develop new sources.

We at the Gas Company realize it's our problem. But you should know it's also your problem. Here's why.

We're already unable to supply many of our larger "interruptible" industrial customers and if all of us don't make a serious effort to conserve natural gas, we're going to have to start curtailing supplies to small businesses as early as 1978. That means some businesses are going to be hurt, and people will lose jobs. The resulting effects on the economy are depressing to contemplate. Everyone will be affected.

We're asking your help at home and at

work. Please conserve natural gas.

If you don't know the many ways you can save this valuable resource, fill in the coupon and send it to us. We have a program for everyone, because conserving energy is everyone's concern.

But it's got to start with one person. You.

## KIWANIS HOST VANDALIA 4-H; CLUB MEMBERS PRESENT PROGRAM

VANDALIA - The Porterville Kiwanis club hosted their regular meeting on November 19 at Gang Sue's Vandalia 4-H club members at Lantern Room; Dan Mahnke was

program chairman.

Dawn Hosfeldt, club president, told the Kiwanians that the Vandalia club was formed in 1943 with Mr. and Mrs. Victor Bowker Sr. as the first community leaders and it has been functioning continuously for 32 years.

This year the club has 61 members and 25 leaders. Miss Hosfeldt said that, in spite of the "age" of the club and the vast amount of publicity given to 4-H, many people still are not aware of the many different aspects of the 4-H program other than the "cows and cooking" projects. For this reason, the members prepared an original skit entitled "4-H Ain't All Cows

& Cookin'" to highlight some of the lesser known areas. There are over 100 project areas available to young people between the ages of 9 and 19.

Members participating and the project each represented were: Kathy Bennett, a teenager trying to convince her friend, Suzanne Graves, to join 4-H; Jennifer Rippee, home furnishings; Becky Rippee and Karen Kilburn, clothing; Perry Land, woodworking; Lee Ann

Bowman, mini gardens and vegetable gardening; Carla Carter, citizenship; Kelly Martin, health; Larry Hammond, photography; David Mahnke, backpacking and conservation; Gary Laux, boys' cooking; Jason Carter, small engines and automotive; Jerry Clark, community service; Leighann Milford, Jr. leadership; Luanne Graves, Hi 4-H; Leisa Milford, market animals; Danise Mahnke, horse; Kevin Kilburn, rabbits; and Shannon Graves, dog care.

A question and answer period followed and Mrs. Bill Graves, community leader, accepted a certificate of appreciation on behalf of the 4-H club.

Sugar beet harvest is nearing completion in California's central valleys; planting is complete in Imperial valley.

## MONACHE DRAMA DEPARTMENT WILL PRESENT "PETER PAN"

PORTERVILLE — "Peter Pan," the Sir James Barrie fantasy that has lived in the hearts of children and adults since the turn of the century, will be staged December 4, 5, and 6 at the Porterville Memorial auditorium by the Monache High School Drama department. Curtain time is 8 p.m.; tickets will be available at the box office.

The play is under the direction of Bob Briscoe; Pam Berryhill and Karen Elam, of the Women's P.E. department, are doing the choreography for three numbers; David Rasmussen is directing vocal music; Bob Bitner's Art club has designed posters and is doing some of the scenery.

Leading roles in the 50-member cast will be played by Minda Milinich, Tammy Holt, Debbie Bender, Sherry Overholt, Ben Loche, Lynn Baze, Joyce Clinton, Jackie Havery, Carol Fox, Kristi Pernu, Tim Santry, Ilka Jarvis, Tim Brackett, David George, Jack Lynch, Chris Crow, Marty Connors and Angela Sue.

Briscoe says, "This is a story of wonderful proportions that the entire family can enjoy. Peter Pan contains technical effects from the flying of Peter Pan and his sidekicks, to the construction of an entire pirate ship on stage, that should enhance the action-packed, yet nostalgic plot."

MERMAIDS? That's right and they're part of the cast of "Peter Pan" that will be presented by the Monache High School Drama department in the Porterville Memorial auditorium the evenings of December 4, 5, and 6. In the group are: Robin Held, Sharon Jordan, Theresa Rockholt, Pam Rockholt, Kristi Billings, and Linda Vossler. Tickets may be purchased at the box office; curtain time is 8 p.m.

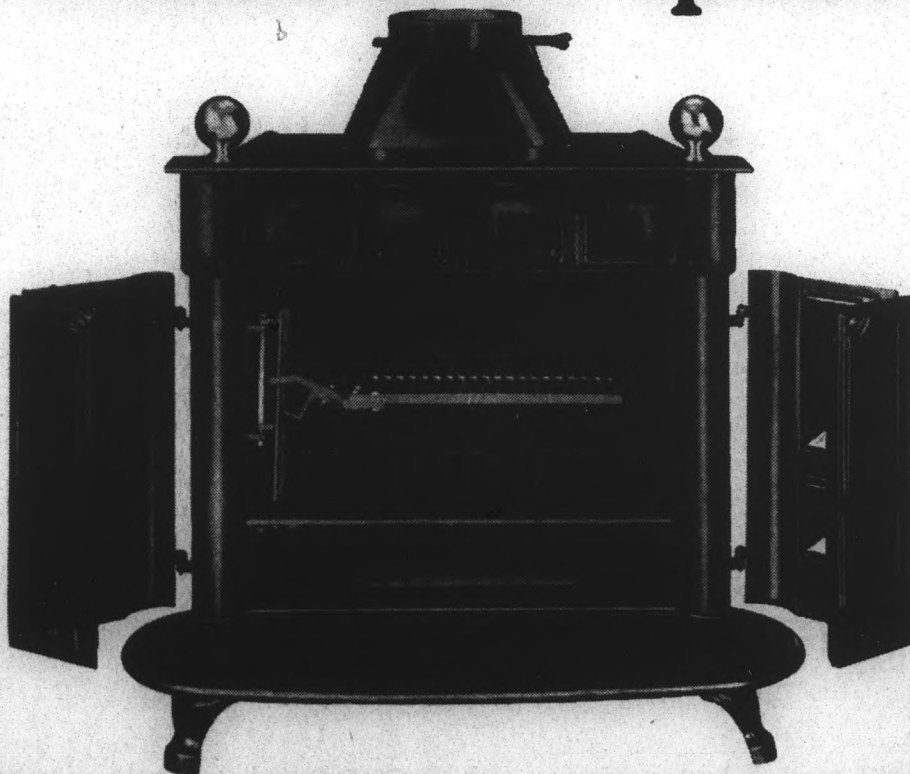

**THOUGHT FOR THE DAY:**
